VOLUNTEER TO BE PART OF THE FUN – PROMOTE YOUR ORGANIZATION

Individuals and Community Groups throughout Lincoln County, we invite you to be part of the fun at the New Lincoln County Fair. Not only can you volunteer individually to help out with the many tasks leading up to, during and after the Fair, but you can also volunteer as a group and use the opportunity to promote your organization to thousands of visitors at the Fair.

The New Lincoln County Fair owes a great deal of its success to the many volunteers who have helped rejuvenate this event over the last two years. We remain committed to the Fair being a showcase of Lincoln County, including local live entertainment, exhibitors and vendors. Another way to highlight local riches is by showcasing local organizations to the thousands of visitors who come through each day.

We invite you to think creatively about how your organization can be part of the fun and benefit from your presence at the Fair. Perhaps you'd like to host a carnival game, making money for your organization and lots of fun for attendees. Or maybe you'd like to be greeters and onsite helpers, wearing gear that identifies your organizations and shows your members' commitment to our community. Plus, this year only we have the bonus opportunity of activities surrounding the Total Solar Eclipse on Monday, August 21.

The possibilities are endless and we are ready to help you craft the perfect participation opportunity for yourself or your group. We also welcome your support as part of the planning team or as an individual volunteer at the Fair. If you are interested in being part of the fun, simply fill out the attached form or give me a call and we'll see how you can be part of the 2017 New Lincoln County Fair.

We look forward to working with you to make this year's event a success!

Sincerely,

Michele R Osterhoudt
