Welcome to the NEW Lincoln County Fair – as the new Fair Manager I would like to express my appreciation to you as a vendor, exhibitor or attendee, for your help to make our event what it has become today, and what it will be tomorrow.

2023 will be a year of transition as we say a heartfelt thank you and goodbye to past Manager, Todd Williver, who has taken on a new role with Oregon 4-H and welcome Heather Tower, who has been part of the Fair Management Team for the past several years. As well as a new manager, the Lincoln County Fair would also like to welcome three new Fair Board Members, Colleen Robert, Daniel Helfrich and Todd Butterfield. The Lincoln County Fair would like to express our appreciation for Claire Hall, Frank Geltner and Jim Buisman who have served on the Board for many years and have been an integral part of rebuilding the Fair Event in Lincoln County.

As we prepare for the 2023 Lincoln County Fair (June 30-July 2), I wanted to confirm our commitment to making this year's fair the best possible. We again have music on the main stage from start to finish, we will have two NPRA pro rodeo shows (Friday and Saturday Evening), and a large bouncy house display for kids. Our vendor space is filling quickly, so please send us your application as soon as possible.

We would like to continue to provide a fair that belongs to the people in our community, as we have for the past seven seasons. We see the county fair as a gathering place where people from across the region can come and showcase what is good about our county and state. To demonstrate our commitment to giving the fair back to the people, we will continue to provide an open and free fair for participants.

Music, entertainment and low or no cost events will still be offered in 2023.

I hope that you will enjoy the show!

PHOTOGRAPHY DEPARTMENT

Intake - at the Main Exhibit Hall, Lincoln County Fairgrounds
Sunday, June 26, 10 am to 6 pm

Judging

Monday, June 27

Release - at the Main Exhibit Hall, Lincoln County Commons
Monday, July 3, 11 am to 4 pm

Entry Procedures

1. Entries will be accepted during the above mentioned hours at the Main Exhibit Hall at the Lincoln County Fairgrounds.
2. Each exhibitor is allowed two exhibits per class in each division.
3. Each entry must have the following on the back at top center: top, title, name, address and phone number on each exhibit. Exhibitors name should not be visible when hanging.
4. The minimum print size is 5" x 7" and the maximum size is 9" x 12". The maximum panorama size is 6" x 18". The maximum size for mounts and collages is 20" x 24" utilizing 4" x 6" photos.
5. **All prints must be mounted, please use rubber cement or other appropriate mounting medium.** 3/16 inch foam core or 4-ply mount paper is ideal. **No construction paper** mounts will be accepted. This will be strictly adhered to this year by the Open Class Exhibits Team. Borders on mounts should not extend more than 2" on any side.
6. Framing of any kind (wood, metal, plastic or glass) will not be accepted. While mattes are not required, they are strongly recommended for protection as well as presentation. Plastic wrap (shrink wrap) is also acceptable although it may be necessary to make some small openings on the back in order to hang the entry.
7. If the print of the matte, slips, print and/or mount separate, the print will be removed from the exhibit
8. ALL photos must have an appropriate hanger. If a hanger is not provided, they may be purchased from the Open Class Staff for .25 per hanger.
9. No digital manipulation beyond basic processing (clarity, brightness, contrast, saturation, sharpness, etc) is to be used on photos. Photos deemed "over-enhanced" will be assigned to Class 107.

10. While the utmost care will be taken, no responsibility for loss or damage during transit or exhibition can be assumed.

11. All photos must be "family friendly".

Division Specific Information:

Action

- Photo should clearly depict movement. Or movement that has been arrested in an interesting way.

Waterscape

- Water should be the DOMINATE feature of the photo

Still Life

- This is a set-up of items together to create a pleasing photo. It is **NOT** a picture of something stationary (the opposite of action). Careful planning and execution are required for a successful still life. Examples would include a bowl of fruit with unique lighting, or a jar of marbles, or odd objects that relate to each other in some way. It is probably not a picture of that funny looking tree in your backyard

Sunrise/Sunset

- Try to capture that stunning dawn or dusk light with glaring color on clouds. It is more than just a picture at 8:30 in the evening.

Computer Imaging

- This means a highly altered photo that abstracts the subject or applies special effect to the photo to even fool the eye. This takes thought and more than a click or two on the keyboard.

Lincoln County, Oregon

- Photo must have been taken within Lincoln County, Oregon. Photo should be of a subject that can clearly be identified as being **IN** Lincoln County.

Sequential Photo Series

- Series of 4-12 photos taken in immediate sequence which tell a story of a sporting event, person or animal in action, etc. Pictures no larger than 4" x 6" and total series no larger than 20" x 24"

Other

- This category is for that odd-ball photo that does not fit anywhere else in the listed Class #'s. It is not a place to dump something because you have too many of one category.
