Welcome to the NEW Lincoln County Fair - as Fair Manager I would like to express my appreciation to you as a vendor, exhibitor or attendee, for your help to make our event what it has become today, and what it will be tomorrow.

Lincoln County will be partnering with Chinook Winds Casino Resort in Lincoln City, July 3-5, 2025, to host Rodeo, Open Class, Commercial Vendors, Food Vendors, a Kid Zone, camels and more! This partnership provides for a new audience to enjoy the great things Lincoln County has to offer, in Lincoln City!

We would like to continue to provide a fair that belongs to the people in our community, as we have for the past several seasons. We see the county fair as a gathering place where people from across the region can come and showcase what is good about our county and state. To demonstrate our commitment to giving the fair back to the people, we will continue to provide an open and free fair for participants.

Music, entertainment and low or no cost events will still be offered in 2025.

If you have any questions related to Open Class, please contact Colleen Robert and lincolnentries@gmail.com. All other questions can be directed to the Fair Manager.

I hope that you will enjoy the show!

Entry Procedures

1. Entries will be accepted during the above mentioned hours at the Main Exhibit Hall at the Lincoln County Fairgrounds.
2. Each exhibitor is allowed two exhibits per class in each division.
3. Each entry must have the following on the back at top center: top, title, name, address and phone number on each exhibit. Exhibitors name should not be visible when hanging.
4. The minimum print size is 5" x 7" and the maximum size is 9" x 12". The maximum panorama size is 6" x 18". The maximum size for mounts and collages is 20" x 24" utilizing 4" x 6" photos.
5. **All prints must be mounted, please use rubber cement or other appropriate mounting medium.** 3/16 inch foam core or 4-ply mount paper is ideal. **No construction paper mounts or scrapbook mounts will be accepted. This will be strictly adhered to this year by the Open Class Exhibits Team.** Borders on mounts should not extend more than 2" on any side.
6. Framing of any kind (wood, metal, plastic or glass) will not be accepted. While mattes are not required, they are strongly recommended for protection as well as presentation. Plastic wrap (shrink wrap) is also acceptable although it may be necessary to make some small openings on the back in order to hang the entry.
7. If the print of the matte, slips, print and/or mount

separate, the print will be removed from the exhibit

8. ALL photos must have an appropriate hanger. If a hanger is not provided, they may be purchased from the Open Class Staff for .25 per hanger.
9. No digital manipulation beyond basic processing (clarity, brightness, contrast, saturation, sharpness, etc) is to be used on photos. Photos deemed "over-enhanced" will be assigned to Class 107.
10. While the utmost care will be taken, no responsibility for loss or damage during transit or exhibition can be assumed.
11. All photos must be "family friendly".

Division Specific Information:

Action

- Photo should clearly depict movement. Or movement that has been arrested in an interesting way.

Waterscape

- Water should be the DOMINATE feature of the photo

Still Life

- This is a set-up of items together to create a pleasing photo. It is **NOT** a picture of something stationary (the opposite of action). Careful planning and execution are required for a successful still life. Examples would include a bowl of fruit with unique lighting, or a jar of marbles, or odd objects that relate to each other in some way. It is probably not a picture of that funny looking tree in your backyard

Sunrise/Sunset

- Try to capture that stunning dawn or dusk light with glaring color on clouds. It is more than just a picture at 8:30 in the evening.

Computer Imaging

- This means a highly altered photo that abstracts the subject or applies special effect to the photo to even fool the eye. This takes thought and more than a click or two on the keyboard.

Lincoln County, Oregon

- Photo must have been taken within Lincoln County, Oregon. Photo should be of a subject that can clearly be identified as being **IN** Lincoln County.

Sequential Photo Series

- Series of 4-12 photos taken in immediate sequence which tell a story of a sporting event, person or animal in action, etc. Pictures no larger than 4" x 6" and total series no larger than 20" x 24"

Other

- This category is for that odd-ball photo that does not fit anywhere else in the listed Class #'s. It is not a place to dump something because you have too many of one category.
